We're A Waukee-Based 501(c)(3) Nonprofit.

Since 2005, WayPoint Resources has helped individuals and families facing hardship meet basic needs and build greater stability. Through food, clothing, healthcare, emergency financial assistance, and one-on-one support, we connect people to the resources and opportunities available in our community.

How We Support Local Students.

Through our school partnerships, we help students start the year prepared and confident by providing weekend snack packs, stocking school-based community refrigerators, and supplying essential school supplies and new backpacks.

In 2025, more than 700 local students started the school year with a new backpack.
