

Helping under-resourced students with Tools4School.

We're A Waukee-Based 501(c)(3) Nonprofit.

For over 19 years, Waukee Area Christian Services has been providing supplemental food, clothing, basic health care, housing and school essentials, emergency financial assistance and one-on-one help to people facing hardship. We provide this help through a food pantry, community garden, rescued food room, clothing closet, free medical clinic and client support program.

How We Support Local Students in Grades K-12.

We source, package and supply weekend snack packs to food-insecure students directly through the schools.

We also focus on removing one critical barrier to learning - essential school supplies. With the support of our community, 446 students received the tools they needed to succeed in the classroom last year. This year we expect the need to exceed 600 local students.

PLEASE JOIN US AS A SCHOOL SUPPLIES SPONSOR.

ENGAGE IN YOUR COMMUNITY.

Lift up local students, teachers and enhance overall community well-being.

BOOST A CHILD'S SELF-ESTEEM.

Improve a student's preparedness, confidence and participation in class.

EASE A PARENT'S FINANCIAL LOAD.

Contribute to a more stable, less stressful home environment for everyone in the family.
